🏆 Team T-Shirt Orders 🏆

📌 How to Order:

1. Fill out the Google Form: Order Form
2. Choose your color from: SanMar Color Selection

🚫 **Please avoid selecting Athletic Heather Gray or Dark Heather Gray (these colors cause production issues).**

3. Deadline: Submit your form no later than **April 4, 2025.**

4. Note: One submission per team. Each team is limited to 10 participants.

The sooner you submit your design, the sooner you will receive your team t-shirts.

Design Your Team T-Shirt

*Collaborate with your team members and create a custom made t-shirt for your team and what your team forte is.

IMPORTANT!
*At the request of our Publications Department, please **do not select Athletic Heather Gray or Dark Heather Gray** as the colors create difficulties while in production.*

Create Your Design
Free-hand design, use Microsoft Word, Canva or any vector editing tool for a clean and sharp design.

IMPORTANT!
If your team t-shirt includes a front and back design, be sure to indicate which is the front and which is the back.

Some Google Apps vector editors to help you create a clean and sharp design are:

Vector Paint
Newbie friendly. Vector Paint allows everyone to create vector-based images. Both beginners and experts can benefit by using this app.

Janvas Tools
Best for experienced users. Janvas Tools allows you to draw and edit graphics, shapes and text which will be saved in SVG (scalable vector graphic) format.

Preferred formats are .EPS or .AI. Formats that are also accepted are PNG images with a transparent background or a high quality JPEG.

Thank you for your cooperation!
