# How to Access *Benchmark Advantage* Books at Home

Benchmark Advantage is your child's Reading curriculum in *Santa Ana Unified*. When your child logs in, he or she can access the library OR see the assignments that the teacher has provided. Even if your child's teacher has not assigned anything, your child still has access to all the books at kindergarten through 6th grades!

Have your child log into: https://sausdus.benchmarkuniverse.com

If he or she is logged into a *Chromebook*, simply click →

If your child does NOT have a *Chromebook* follow these steps to login with their ID from any browser (*Google*, *Chrome* or *Safari*) on *Windows* or *Apple* computers:

1. Username: Student ID#@sausdlearns.net

Example: *123456@sausdlearns.net*

**Their password is different from their *Google* account with *Santa Ana Unified*.**

2. Password (all lowercase): First letter of first name, then first letter of last name, then birth month, and finally day of birth.

Example: John Smith, born March 8th will be js0308

Example: Susana Mendez, born December 11th will be sm1211

Benchmark Universe can *also* be accessed on an **iPhone** or **iPad** (download app = "*Benchmark Universe Library*"), or **Android** phone or tablet (download app = "*BU Library*"). **Follow these steps:**

1. **Download** the App from the **App Store** or **Google Play** Your login screen will look like this. → → → →
2. **User Name:** the student's full *Google* account, for example – 123456@sausdlearns.net
3. **Password** (all lowercase): First letter of first name, first letter of last name, and the two numbers of birth month and two numbers of day of birth.
4. **District Realm:** Type in "sausdus"
