## Our Vision

The Santa Ana Unified School District's Career/Technical Education Department will provide exemplary CTE programs and pathways that prepare all students to be "College and Career Ready." The necessary services, curriculum, and technology will be delivered to enable all students to be successful. The CTE Department will partner with all community stakeholders, including businesses, parents/caregivers, students, SAUSD staff, higher education institutions, and other agencies, to create a maximum impact on every student's education.

## CTE in Santa Ana Unified

Career Technical Education is available to all Santa Ana Unified School District's intermediate and high school students. Most of the courses are offered at high school campuses during the day.

## Why take CTE Courses?

### Dual Credit with Community Colleges

Courses are articulated with colleges to facilitate dual credit for students who attend high school courses and receive college credit.

# Articulated Courses

## What does articulation do for our students?

Articulation provides college credit for students in high school. This saves students money by not repeating courses in college. It also helps students finish college sooner.

SAUSD CTE has articulation agreements with the following community colleges and these courses are UC A-G approved:

### Coastline Community College

A+ Certification Application  
Application of Business Technology  
Art of Animation I & II  
Art of Digital Photography  
Art of Graphic Design I  
Art of TV & Video Production  
Entrepreneurship  
Fundamental of Business

# UC/CSU A-G Approved Courses

All SAUSD CTE courses are UC/CSU a-g approved courses. UC/CSU a-g courses are those that have been reviewed by the University of California and California State University systems and are deemed to have the rigor of a college preparatory course. SAUSD CTE classes are designed to not only prepare students for a career, but to prepare them to attend college.

CTE offers **73** A-G Courses

# Dual Enrollment

# Industry Certifications

Dual enrollment is an enhanced and unique educational opportunity for high school students to earn transferable college credit through local community colleges. Dual enrollment enables high school students to take college courses, taught by college professors or qualified high school teachers, on a high school campus. In SAUSD students can enroll in general education and/or career education certificates.

## General Education Courses

ENGL-101  
ENGL-102/103  
PHIL-110  
ART-100 101, 102, 103  
CMST-103  
DANCE- 100, 101, 102  
DM-102, 103, 104, 107  
IDS-121  
MUS-101, 102, 103  
PHOT-150  
SPAN-101

## Career Education Certificates

Welding  
BioTechnology Lab  
Medical Assistant  
Spanish Translator  
Programming  
Engineering  
Automotive  
Child Development  
International Business  
Graphic Design

## College and Career Readiness Counselors

CTE College & Career Readiness Counselors provide exemplary career technical education support services that prepare all students to be successful in their coursework and post-secondary college and career plans.

CTE College & Career Counselors provide:

- Career exploration assessments
- Advising sessions with students and caregivers to build an individualized sequence of study
- Guidance on various career pathway programs offered at all SAUSD high schools
- Dual enrollment services and support
- Student interventions and skill-building opportunities

For more information on CTE College & Career Readiness, call (714) 241-6588

# Internships & Jobs

Internships provide practical, work-based experiences for students in the local business community aligned with their career pathways. Current partnerships include Goodwill, Precision Manufacturing, Santa Ana Youth program, Smile Dental, and Amistad Medical Clinics. We continuously recruit businesses throughout Santa Ana and Orange County to provide our students with authentic work-based learning experiences by identifying and expanding internship experiences.

2021-2022 Internships: **527**

FLETCHER JONES MOTORCARS  
THE NATION'S #1 MERCEDES-BENZ CENTER

# Project Lead the Way

Project Lead the Way is a rigorous, engaging, and nationally recognized project-based STEM curriculum including Computer Science, Engineering, and Biomedical Science. These courses provide students with authentic hands-on and real-world activities while building transferable skills. PLTW programs prepare students to achieve the SAUSD Graduate Profile and become qualified for high-skill, high-wage, high-demand careers in Orange County and beyond.

# College & Career Pathways/Academies

## High Schools

### Santa Ana Unified School District

= Project Lead the Way (PLTW)

= California Partnership Academies

= Gold box represent Academies made up of small learning communities. Students share CTE and traditional academic classes.

#### Non-Discrimination

The Santa Ana Unified School District is committed to providing a working and learning environment free from discrimination, harassment, intimidation, and bullying. The District prohibits discrimination, harassment, intimidation and bullying based on actual or perceived race or ethnicity, gender/sex (including gender identity, gender expression, pregnancy, childbirth, breastfeeding, and pregnancy-related medical conditions) sexual orientation, religion, color, national origin, ancestry, physical or mental status, marital status, registered domestic partner status, age (40 and above), genetic information, political belief or affiliation (not union related), a person's association with a person or group with one or more of these actual or perceived characteristics, or any other basis protected by federal, state, or local law, ordinance, or regulation in any program or activity it conducts or to which it provides significant assistance. For inquiries about District policies and procedures related to student-to-student, student-to-staff and staff-to-student harassment/discrimination, including how to file a harassment/discrimination complaint, the following employees have been designated to handle questions and complaints of alleged discrimination:

Jennifer A. Flores, Title IX Coordinator, 1601 East Chestnut Avenue, Santa Ana, CA 92701, (714) 558-5860, [compliance.officer@sausd.us](mailto:compliance.officer@sausd.us). Bianca Barquin, 504 Coordinator, 1601 East Chestnut Avenue, Santa Ana, CA 92701, (714) 558-5656. Bianca Barquin, Title II Coordinator, 1601 East Chestnut Avenue, Santa Ana, CA 92701, (714) 558-5656.
